Office phone: 919 966 9009

EDUCATION

Johns Hopkins Bloomberg School of Public Health, Baltimore MD (May 2007)

PhD, Department of International Health, Social and Behavioral Interventions Program

Johns Hopkins Bloomberg School of Public Health, Baltimore MD (May 2002)

MPH, Department of International Health

Brown University, Providence RI (May 1998)

BA, *magna cum laude*, dual concentration in Community Health and International Development Studies

PROFESSIONAL ACADEMIC EXPERIENCE

Director, Latin American Projects, Institute for Global Health & Infectious Diseases, University of North Carolina at Chapel Hill (January 2012–*present*)

Faculty Fellow, Carolina Population Center, University of North Carolina at Chapel Hill (April 2009–*present*)

Assistant Professor (tenure track), University of North Carolina at Chapel Hill, Gillings School of Global Public Health, Department of Health Behavior (September 2008–*present*)

Faculty Affiliate, University of South Carolina, Women and Gender Studies (August 2007–2008)

Assistant Professor (tenure track), University of South Carolina, Arnold School of Public Health, Department of Health Promotion, Education & Behavior (August 2007–2008)

PROFESSIONAL CONSULTATIONS

Population Services International, Washington DC (November 2007–April 2010)

- Analyzed quantitative HIV-related behavioral data collected among female sex workers, men who have sex with men, and youth in Central America and the Caribbean
- Prepared Social Marketing Research Series reports, manuscripts, and conference presentations

Academy for International Development (AED), Dominican Republic (January–August 2009)

- Designed qualitative, formative study to inform HIV prevention efforts with male sex workers in the eastern region of the Dominican Republic
- Trained local researchers in observation, mapping and in-depth interviews
- Collaborated in qualitative analysis and preparation of final report

International Planned Parenthood Federation, Dominican Republic & El Salvador (April–August 2005)

- Evaluated integrated youth HIV and sexually transmitted infection project and wrote final report

Population Services International, Cuba (March–September 2005)

- Supervised design of electronic database and reporting system and trained 20 staff members
- Analyzed quantitative customer satisfaction survey and prepared report with recommendations
- Prepared final report on condom social marketing indicators for the Global Fund
- Supported PSI Country Representative in overall project management

Columbia University, Dominican Republic (January 2005–March 2006)

- Coordinated data collection for a qualitative study exploring experiences with treatment adherence and stigma among 50 men and women living with HIV in Santo Domingo
- Facilitated training in qualitative research methods and interviewing for 10 member research team
- Analyzed interview transcripts and prepared manuscripts and proposals based on findings

HIV Vaccine Trials Network, Dominican Republic, (November 2002–December 2005)

- Collaborated in qualitative instrument development for a formative study examining local perceptions of an HIV vaccine and vaccine research in the Dominican Republic
- Trained 5 local researchers in qualitative data methods, interview techniques, and analysis
- Coordinated recruitment, data collection, and transcription process for study
- Analyzed qualitative interviews and wrote study report and 2 peer-reviewed manuscripts

UNICEF-Santo Domingo, Dominican Republic (August 1999–April 2001)

- Coordinated national-level survey on Goals of the World Summit for Children for end-decade assessment report
- Designed monitoring and evaluation component of UNICEF Program of Cooperation 2002–2006
- Participated in technical committees for decentralization, statistics, and mother-to-child HIV transmission

HONORS

Delta Omega Honorary Society in Public Health, (May 2012)

Scholarship Recipient, National Institutes of Health Office of AIDS Research *Behavioral and Social Science in HIV Vaccine Clinical Research Workshop* (2009)

NIH Loan Repayment Program, National Institute on Minority Health and Health Disparities (2008–2013)

Emerging HIV Scholar, *American Public Health Association* (2006)

Nancy Stephens Award, Department of International Health, Johns Hopkins Bloomberg School of Public Health (May 2005, 2007)

Paper presented in the panel "Barbershops, Brothels, & Bibleways: Using community-based strategies to build an evidence base for health behavioral interventions among men of color" at the 30th Annual Meeting of the Society of Behavioral Medicine, Montreal, Canada, April 2009.
10. **Barrington C**, Latkin C, Sweat M, Moreno L, Rosario S, Ellen J, Kerrigan D. *Talking the talk, walking the walk: social networks, norms, and condom use among the male partners of female sex workers in La Romana, Dominican Republic*. Oral poster presented at the XVII International AIDS Conference, Mexico City, Mexico, August 2008.

9. **Barrington C**, Kerrigan D, Moreno L, Caceres F, Brudney K. *"The normal life": living with HIV/AIDS in Santo Domingo, Dominican Republic*. Poster presented at the XVII International AIDS Conference, Mexico City, Mexico, August 2008.
8. Longfield K, Rivas J, Melendez G, **Barrington C**, Buszin J. *Measuring the effectiveness of social marketing programs in Central America: behavior change among female sex workers in El Salvador, Guatemala, Honduras and Nicaragua, 2004–2007*. Poster presented at the XVII International AIDS Conference, Mexico City, Mexico, August 2008.
7. **Barrington C**, Kerrigan D, Moreno L, Caceres F, Brudney K. *La vida normal: living with HIV/AIDS in Santo Domingo, Dominican Republic*. Paper presented at the 68th Annual Meeting of the Society for Applied Anthropology, Memphis, TN, March 2008.
6. **Barrington C**, Kerrigan D, Moreno L, Caceres F, Brudney K. *La vida normal: living with HIV/AIDS in Santo Domingo, Dominican Republic*. Paper presented at the 21st Annual Women's Studies Conference, University of South Carolina, Columbia, SC, February 2008.
5. **Barrington C**, Moreno L, Kerrigan D. *Debe cuidarse en la calle: Norms and sexual behavior among male partners of female sex workers La Romana, Dominican Republic*. Paper presented at the 28th International Sunbelt Social Network Conference, St. Pete, FL, January 2008.
4. **Barrington C**, Moreno L, Rosario S, Kerrigan D. *Social networks and consistent condom use among male partners of female sex workers in the Dominican Republic*. Poster presented at the 134th American Public Health Association Annual Meeting, Emerging Scholars in HIV/AIDS Research Session, Boston, MA, November 2006.
3. Catino J, Moreno L, Rosario S, Gomez B, Jerez H, **Barrington C**, Kerrigan D. *Sharing the Responsibility of HIV/STI Risk Reduction: Strategies to work with male clients of female sex workers in the Dominican Republic*. Paper presented at the 8th World STI/AIDS Congress, Punta del Este, Uruguay, December 2003.
2. **Barrington C**, Moreno, L, Rosario, S, Sweat, M, Kerrigan, D. *Consistent condom use within the sex networks of male client of female sex workers in Santo Domingo, Dominican Republic*. Paper presented at the 2nd Forum on HIV/AIDS/STI in Latin American and the Caribbean, Havana, Cuba, April 2003.
1. Moreno L, Jerez H, Rosario S, Gomez B, Weiss E, Sweat M, **Barrington C**, Kerrigan D. *Combining structural and community-based approaches reduces HIV/STI vulnerability among female sex workers in the Dominican Republic*. Poster presented at the XIV International AIDS Conference. Barcelona, Spain. July 2002.

INVITED TALKS

7. Social networks, migration and HIV in a new immigrant destination. Duke Network Analysis Center. September 22nd, 2014. Duke University. Durham, NC.
6. Webinar "*Finding Strength in the Stories of Latinos Living with HIV in the South*". Webinar hosted by Latinos in the Deep South. With Erik Valera, Lisa Hightow-Weidman, Lilli Mann and Judith Montenegro. August 28th, 2014. El Centro Hispano. Carrboro, NC.

5. *VIH en Latinos/as*. UNC Center for Latino Health (CELAH)/Mexican Consulate Binational Health Week Celebration. UNC Chapel Hill. October 2011, 2012, 2013. (Presentation in Spanish)
4. *Health in Central America*. Invited presentation for World View's *Latin America and North Carolina Seminar*, UNC-Chapel Hill, March 2011, 2014.
3. *HIV in Guatemala: Individual, Social and Structural Factors*. Invited presentation for the Student Global Health Committee HIV Narratives Series, UNC-Chapel Hill, March 2011.
2. *Social and Behavioral Perspectives on HIV/AIDS in the Dominican Republic*. Invited presentation at the UNC Center for AIDS Research World AIDS Day 2009 Symposium, UNC-Chapel Hill, December 2009.
1. *Social networks and HIV among the male clients of female sex workers in La Romana, Dominican Republic*. Invited talk presented at the UNC Carolina Population Center Seminar Series, UNC-Chapel Hill, October 2009.

TEACHING

CLASSROOM TEACHING

Gillings School of Global Public Health, University of North Carolina

2009–present

HBEH 815: Foundations of Health Behavior Global Health Module

Description: Doctoral seminar on concepts and theories related to globalization and social and behavioral health.

Enrollment: 2010 (n=13), 2011(spring) (n=8), 2011 (fall) (n=13), 2012 (n=13), 2013 (n=5)

HBEH 754: Advanced Qualitative Research Methods: Analysis and Writing

Description: Advanced seminar on approaches and techniques for qualitative data analysis, interpretation and writing

Enrollment: 2009 (n=5), 2010 (n=13), 2011 (n=14), 2012 (n=15), 2013 (18), 2014 (n=16)

Arnold School of Public Health, University of South Carolina

2008–2009

Research Seminar in Qualitative Methods, Department of Health Promotion, Education & Behavior (Spring 2008)

Description: Graduate research seminar on the design, methods and analysis of qualitative publish health research

Health Education Research Seminar, Department of Health Promotion, Education & Behavior (Spring 2008)

Description: Graduate research seminar on topics in health behavior

GUEST LECTURES

Gillings School of Global Public Health, University of North Carolina at Chapel Hill

2014–2015

Interdisciplinary Perspectives in Global Health (PUBH 510), "Social networks, migration and HIV in a new immigrant destination" (Fall 2014) (19 students)

Updated April 2015

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV and Social Networks” (Fall 2014) (56 students)

2013–2014

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2013) (54 students)

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Social Networks and HIV prevention research in the Dominican Republic” (Fall 2013) (8 students)

2012–2013

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2012) (58 students)

2011–2012

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Qualitative Research” (Fall 2011) (8 students)

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2011) (56 students)

2010–2011

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Qualitative Research” (Fall 2010) (10 students)

Theoretical Foundations of Behavioral and Social Science (HBEH 730), Department of Health Behavior and Health Education, “HIV Prevention and Social Networks: A Case Study from the Dominican Republic” (Fall 2010) (58 students)

2009–2010

Control of Infectious Diseases in Developing Countries (EPID 756), Department of Epidemiology, “HIV prevention and control: A Case Study from the Dominican Republic” (Spring 2010) (30 students)

Theoretical Foundations of Maternal and Child Health Research (MHCH 859), Department of Maternal and Child Health, “Qualitative Research” (Fall 2009) (10 students)

2008–2009

Control of Infectious Diseases in Developing Countries (EPID 756), Department of Epidemiology, “HIV prevention and control: A Case Study from the Dominican Republic” (Spring 2009) (50 students)

Qualitative Evaluation and Research Methods (HBHE 753), Department of Health Behavior and Health Education, “Formative Research: Applications for Research & Interventions” (Spring 2009) (45 students)

Social and Behavioral Sciences in Public Health (HBHE 600), Department of Health Behavior and Health Education, “Structural Interventions and HIV: A Case Study from the Dominican Republic” (Spring 2009) (250 students)

Doctoral Research Methods Seminar (HBHE 760), Department of Health Behavior and Health Education, "Using Social Network Methods to Explore HIV Risk Behaviors among Men in the Dominican Republic" (Fall 2008) (10 students)

Global Health Dinner Series (PUBH 500), "Reflections on Career Development in Global Health" (Fall 2008) (50 students)

Arnold School of Public Health, University of South Carolina:

2008–2009

HIV/AIDS Education (HPEB 684), Department of Health Promotion, Education and Behavior, "Evolution of HIV prevention efforts in the commercial sex industry of the Dominican Republic" (Spring 2008) (50 students)

ADVISING

PhD Dissertation Chair, Department of Health Behavior

Amelia Rock, Fall 2014–*present*, expected defense May 2018

Dissertation title: *TBD*

Priscilla Brietzke, Fall 2012–*present*, expected defense December 2016

Dissertation title: *TBD*

Leslie Cofie, Summer 2012–*present*, expected defense December 2015

Dissertation title: *Social network structural and functional characteristics and health facility delivery among pregnant women in rural Ghana*

Laura Villa Torres, Fall 2011–*present*, expected defense May 2016

Dissertation title: *Mental health of Latino immigrants in North Carolina: assessing the effect of documentation status and citizenship on the wellbeing of mixed-status families*

Paul Fleming, Fall 2011–*present*, expected defense May 2015

Dissertation title: *The role of masculine gender norms in HIV vulnerability among Dominican men enrolled in a circumcision pilot study*

-Postdoctoral Fellow, Division of Global Public Health, University of California San Diego School of Medicine (*starting Fall 2015*)

Ann Gottert, Fall 2009–2014, defended September 2014

Dissertation title: *Gender norms, masculine gender-role strain, and HIV risk behaviors among men in rural South Africa*

-Postdoctoral Fellow, Department of Epidemiology, University of North Carolina (*Fall 2014–present*)

PhD Dissertation Committees, Department of Health Behavior

Andre Brown, expected December 2016

Dissertation title: *Opportunity Matters: Economics, Masculinity, and Sexual Concurrency among Black Men*

Christine Agnew Brune, expected May 2016

Dissertation title: *Examining Digital Dating Abuse among Adolescents*

Larry Scholl, expected May 2015

Dissertation title: *Parenting for the learner stage of graduated driver licensing: the role of parents in preparing teen drivers, variations in supervised driving experiences, and impacts on teen driving*

Paul Gilbert, defended May 2013

Dissertation title: *A mixed-methods investigation of alcohol use among immigrant sexual minority Latinos in North Carolina*

-Associate Scientist Alcohol Research Group, Public Health Institute, Oakland, CA (2013-2015)

-Assistant Professor (Tenure Track) University of Iowa, Department of Community and Behavioral Health (*starting Fall 2015*)

Andrea Heckert, defended March 2013

Dissertation title: *A mixed-methods examination of the influence of social conditions and social networks on the sexual risk behavior of structurally vulnerable African American Male Substance-Users*

-Program Officer, Patient-Centered Outcomes Research Institute, Washington, DC (*January 2015-present*)

PhD Dissertation Committees, University of North Carolina at Chapel Hill

Katherine Kenny, Maternal and Child Health (Health Behavior minor), expected May 2017

Dissertation title: *Child custody loss and HIV vulnerability among female sex workers*

William Miller, Epidemiology, expected December 2015

Dissertation title: *Men who have sex with men and transgender people in Guatemala: Sex work, venues, and sampling's role in the HIV epidemic*

Heather Edelbute, Sociology, expected May 2015

Dissertation title: *Family life on the other side of the border: the role of women's networks in sustaining families in Mexico*

Anisha Gandhi, Epidemiology (CPC trainee), defended August 2014

Dissertation title: *Migration, social disadvantage, sexual partnerships, and HIV/STI in the Garifuna population of Honduras*

Postdoctoral Research Fellow, HIV Center for Clinical and Behavioral Studies, Columbia University

Capstone team advising

El Pueblo, 2009, 2010, 2012

RESEARCH FUNDING

ACTIVE GRANTS

UNICEF

Role: Co-Investigator/Qualitative Lead (PI Angeles)

Research on the Effect of Malawi Social Cash Transfer Program for Building Household Resilience in Balaka District

PEPFAR/CDC (awarded)

Cooperative Agreement

Role: Sub-contract Principal Investigator (PI Morales)

Building Capacity along the Continuum from Prevention to Care and Treatment for Key Populations in the Central American Region under the President's Emergency Plan for AIDS Relief

Total award: \$15,000,000

PEPFAR/Office of the US Global AIDS Coordinator (OGAC)

Key Population Implementation Science Award

Role: Co-Principal Investigator (Co-PI Morales)

January 2014–2017

Strengthening the "Reach-Test-Treat-Retain" cascade for men who have sex with men and transgender population in Guatemala: Formative research, a pilot intervention, and scale-up

Total award: \$1,571,886

PEPFAR/Office of the US Global AIDS Coordinator (OGAC)

Key Population Challenge Fund

Role: Co-Principal Investigator (Co-PI Morales)

March 2014–May 2015

Making the Link: Operations Research to Develop an Integrated Model to Promote HIV testing and Linkages to Care among MSM and Transgender persons in Guatemala City

Total award: \$506,800

Health Resources and Services Administration (HRSA)

Special Projects of National Significance

Role: Co-Investigator (PI Hightow-Weidman)

September 2013–2018

Enlaces por la Salud: Finding, Linking and Retaining Mexican MSM and Transgender Women in HIV Care in North Carolina

Total award: \$1,499,203

United Nations Children’s Fund (UNICEF)

Role: Co-Investigator (PI Handa)

February 2013–2015

Impact Evaluation of the Malawi Social Cash Transfer Programme (RFP-MLWB-2012-009)

Total award: \$1,134,862

National Institute for Drug Abuse (NIDA)

1R01DA028766-01A1

Role: Co-Investigator (PI Khan)

January 2010–June 2015

Relationship Disruption during Incarceration and HIV Risk in African American Men

Total award: \$2,871,354

Institute for Healthcare Improvement (IHI)/Gates Foundation (Supplement to Projects Fives Alive!)

Role: Co-Investigator (PI Singh)

October 2013–2015

Referral Solutions for Mothers and Newborns in Ghana

Total award: \$829,606

Institute for Healthcare Improvement (IHI)/Gates Foundation

Role: Co-Investigator (PI Singh)

June 2010–August 2015

Evaluation of Project Fives Alive! in Ghana

Total award: \$798,269

National Institutes of Health

Fogarty International Training Grant

Role: Co-Investigator

August 2014-2018

UNC Wits AIDS Implementation Research and Cohort Analyses Training Grant

Total award: \$1,503,046

National Institutes of Health K24

Role: Qualitative Mentor (PI Wohl)

January 2014-2018

Mentoring New Investigators in Criminal Justice HIV Prevention and Treatment

Total award: \$911,397

PENDING GRANTS

US Agency for International Development/FHI 360 – Linkages Project

Role: Principal Investigator

Strengthening the HIV continuum of care among MSM in the eastern region of the DR

National Institute for Drug Abuse (NIDA) (resubmission)

R01

Role: Co-Principal Investigator (Co-PI Kerrigan)

Substance use and the HIV care continuum among vulnerable Dominican women

COMPLETED GRANTS

UNC, Institute for Global Health & Infectious Diseases

Global Health Faculty Research Partnership Grant

Role: Principal Investigator

April 2014– 2015

Voluntary Medical Male Circumcision and HIV Prevention in Concentrated Epidemics

Total award: \$5,000

US Agency for International Development–Research to Prevention (R2P) Project

Role: Co-Investigator (PI Kerrigan)

February 2011– 2014

Developing and evaluating the effectiveness of an intervention to reduce HIV-related risk behaviors among regular male partners of female sex workers in the Dominican Republic

Total award: \$68,166

University of North Carolina at Chapel Hill

Project EXPORT Racial and Ethnic Health Disparities Grant Proposals

Role: Principal Investigator

May 2011–2013

Using Social Networks to Reach Latino men for HIV Testing and Linkage to Care

Total Award: \$75,000

US Agency for International Development – Research to Prevention (R2P) Project

Role: Sub-contract Principal Investigator (PI Kerrigan)

January 2010–September 2011

Formative research with men who have sex with men and female sex workers living with HIV in the Dominican Republic and Swaziland.

Total award: \$91,256

UNC, Center for AIDS Research (CFAR)

Faculty Development Award

Role: Principal Investigator

April 2009–May 2012

Pilot grant for research proposal titled: Migration and HIV among Mexicans in North Carolina

Total award: \$20,000

American Academy of Family Physicians Foundation

Role: Faculty Advisor (PI Fisher)

March 2009-May 2012

Provide technical support for project to accelerate best practices in peer support around the world

Total award: \$4,384,002

UNC, Institute for Global Health & Infectious Diseases

Global Health Faculty Research Partnership Grant

Role: Principal Investigator

February 2010–2012

Developing research collaboration to examine social determinants of Prostate Cancer in Cuba

Total award: \$5,000

UNC, Office of the Executive Vice Chancellor and Provost

Junior Faculty Development Award

Role: Principal Investigator

December 2009–2010

Qualitative evaluation of HIV intervention with male clients of female sex workers in the Dominican Republic

Total award: \$7500

Johns Hopkins NIH Fogarty AIDS International Training Program New and Minority Fellowship

Role: Principal Investigator

August 2003–2004

Funding for dissertation field work in the Dominican Republic

Total award: \$18,000
