**CONSENT STATEMENT– COMMUNITY GROUPS**

*“Hello. How are you? My name is [ENUMERATOR NAME], and I am working with a team from the Ministry of Public Service, Labour and Social Welfare in Harare. We are conducting a survey to understand socioeconomic situation of families in this area. Your answers will help the Ministry of Public Service, Labour and Social Welfare better target services and opportunities for vulnerable families. We are conducting similar meetings across Zimbabwe.*

*This meeting will take approximately an hour. We are seeking the input of every one of you and would like to hear various points of view. We would greatly appreciate your cooperation in this research because your experience and your suggestions are very important. The information that you provide us will be used for research purposes only. Your names will not be taken down, nor will they appear in any report that comes out of this study. The information will be used for improving services only.*

*I would like to ask you some questions about all the people in this village and some other things about the village, for example, transport services or access to shops. If you choose not to participate it will not change any services or benefits that you receive now or in the future. You can stop participating at any time without problems.*

*Will you please give me some time to speak with you?*

*Please feel free to ask if you have any questions at any time, even before I start.”*

[WE WILL CONDUCT THIS INTERVIEW IN ONE VILLAGE IN EACH OF THE 89 WARDS.]

**SECTION 1: ROSTER OF INFORMANTS**

[The interview will include key informants from the community with a particular focus on the Children Protection Committee members: Others could include the village Headman, and village volunteers, Councillor, Church officials, Government Officials, and NGO workers.
